The Unico System®

Small-Duct Central Heating & Air Conditioning

Unico, Inc. — Celebrating Over 20 Years as the Leader in Total Indoor Comfort!

Since its inception in 1985, Unico, Inc. has dedicated itself to the production of quality products for the indoor comfort market. This dedication has made Unico, Inc. a leading innovator in superior heating and air conditioning products and, most notably, the small-duct market. Below are just a few of the things that set Unico, Inc. and its family of products apart from its competitors:

- Family owned and operated
- Long history of working with HVAC contractors
- American-made products
- Quality training
- Superior customer service
- Strategic partnerships with key market influencers
 - National Trust for Historic Preservation
 - American Institute of Architects
 - American Architectural Foundation
- International sales and distribution
- ARI, UL, ETL, CE, CCC compliant and approved
